

## Product Care: Cleaning and Maintenance

### **LEATHER**

Cleaning Code: WS (water or solvent based spot clean)

#### **GENERAL CARE**

The best way to keep Fil Doux leather looking good is to properly maintain it.

Maintain leather by wiping away ordinary dirt and smudges with a mild soap and water solution and gentle sponge.

*Do not spot clean leather; clean the entire surface*

Dry with a soft, lint-free cloth or towel.

#### **SPOT CLEANING**

1. Treat stains as promptly as possible.
2. Using a clean dry white cloth, apply pressure to the stain and blot. Working from the outside of the stain, rotating often to prevent transfer of the stain from the cloth. Avoid Rubbing.
3. Sponge the entire surface with lukewarm water and allow to air dry
